To whom it may concern,

We are engaged in distribution. We understand our purpose, we love and we are able to perform our work. Over the years of our presence in the market, we have gained experience and knowledge that allow us to understand and satisfy the needs of our partners. Our main capital is fair name and reputation of a reliable partner.

Distributes electrical products, such as:

- Cable and wire products (Power up to 500kV (GOST, VDE, IEC, TS, AZS) and fiber-optic cables)
- Cable Fittings (Raychem, 3M telecommunication and others)
- Cable trays (According to NEMA, IEC, TS, CASE, PH, VDE, GOST/EAC standards)
- Control and measuring devices (Fluke, Michell instruments, Druck and others)
- Industrial electrical equipment (Schneider electric, Legrand, ABB, Siemens and other)

Regards,

Anuar Aimukhametov
